§ 1218. Regulations for the prevention of epidemic influenza in the District of Columbia. Ordered: That every physician, nurse, or other person in charge of a family or household in the District of Columbia who is suffering from Epidemic Influenza, or who has been exposed to it, or who is becoming aware of the existence of such disease shall send to the health officer, in ink, signed by such person, stating the name of the patient, the name of the physician, the name of the person suffering therefrom, and the school, street, house, or other place where the patient is, and setting forth by street and number, or by lot and number, or by name of the street and house, room, or other place in which said patient can be found. As soon as the patient recovers from epidemic influenza, the person in charge of the family or household shall send to the health officer a certificate, written in ink and certified by the physician, stating that the patient has recovered from epidemic influenza, and is no longer in charge of any patient," as used in these regulations. Any physician who fails to comply with this regulation in attendance on, called in to visit, or examining a patient, unless called in solely as a consultant to a physician already in attendance on such patient, shall be held liable for the responsibility of any physician aforesaid, or in event of default of the physician aforesaid, the nearest relative of the family to which the patient belongs: provided, that in the event of default of the physician, or in event of default on the part of the physician aforesaid, the nearest relative on the part of the family to which the patient belongs

forth, in the absence of disability of all persons aforesaid, or in the absence of disability of all persons aforesaid, every person in attendance on such patient. Sec. 5. It shall be the duty of the attending physician, in the event of an outbreak of epidemic influenza, if said person has power and authority so to do, to adopt such measures as may be necessary to prevent the spread of such disease: a. To isolate the patient immediately upon the diagnosis of the disease, if practicable, as thoroughly as is practicable, from all persons who are not suffering from the disease, and to maintain such isolation in attendance upon the patient, and to maintain such isolation until the temperature of the patient has subsided to normal. b. To disinfect each and every article used by or about the patient and all excreta from the patient, and to destroy such excreta. c. To have been especially exposed to infection, before the removal of such article or excreta, and to have been especially exposed to infection, and otherwise as soon thereafter as is practicable.

[illegible]

himself or any other person, or if he has power and authority to prevent, permit any other person to be exposed, to infection by epidemic influenza unless such exposure is necessary for the proper care and treatment of the patient. Sec. 6.—No person who is nursing a patient suffering from epidemic influenza shall mingle with other persons who are not so engaged, and who are not suffering from

the disease from which the patient is suffering, until after said person has properly disinfected the hands and face. Sec. 7.—The health officer shall make such investigations into the nature and origin of cases of epidemic influenza occurring in the District of Columbia, as in his judgment may be necessary to prevent the spread of said disease, and shall co-operate with persons having charge

diems needful for the prevention of the spread thereof. And in the discharge of each and every of the duties herein imposed, the health officer may act not only in person but also through employes in the service of the health department duly designated by him for that purpose. Sec. 8.—No person shall interfere with the health officer, or with any officer, employe, or agent of the health department in

9.—Any person who is suffering from symptoms that so resemble those of epidemic influenza that they cannot be distinguished therefrom with reasonable certainty shall be regarded for the purpose of these regulations as suffering from said disease. Sec. 10.—Any person who violates any of the provisions of these regulations shall be punished upon conviction thereof, by a fine not exceeding fifty dollars

offense by a fine not exceeding one hundred dollars. The above regulations to be effective on and after October 5, 1918. LOUIS BROWNLOW, JOHN G. D. KNIGHT, W. GWYNN GARDINER, Commissioners D. C.
